OUR MISSION

To shelter and mentor at risk and homeless boys, breaking the cycle of hopelessness, violence, and juvenile delinquency.

Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress and refusing to let the world corrupt you.

James 1:27, NLT

Why A Boy's Home?

All of the present homes in Jamaica are at capacity, but there are still many children experiencing violence without support. Children and teens are not permitted to live in the same residence, so the present plan is for the younger age group, aged 8 to 12 years. The home will be developed at Mt Pleasant, in the Manchester parish. The Board of Directors have approved the architectural documents and have received a building permit from the Manchester Parish Council.

Why in Mt Pleasant?

Life in the cities can be very dangerous for these vulnerable children. The standard of violence in many cities forces youths into vicious gangs, many of which encourage violence and murder as initiation requirements. A home in the country would help shield the boys from an environment that fosters violence, and provide them with a network of encouragement and support.

Dear Friends

Thank you for taking the time to read this letter. I am writing to you on behalf of the Boy's Home of Mt. Pleasant, a dedicated non-profit organization committed to improving the lives of vulnerable children in Jamaica. With each passing day, more boys are left vulnerable, underscoring the urgency of our mission. Our current and most urgent project is to establish a boy's home in Jamaica, which will provide a safe and nurturing environment for boys who are orphaned, abandoned, or living in unsafe conditions.

The situation for many young boys in Jamaica is dire. Without a stable and supportive home environment, these children face significant risks, including malnutrition, lack of education, and exposure to violence. Our mission is to build a facility that offers not only shelter for ten boys but fulfills our mission: to shelter and mentor at risk and homeless boys, breaking the cycle of hopelessness, violence, and juvenile delinquency.

To bring this vision to life, we need your support. The total cost to build and furnish the boy's home is estimated at \$400,000. This amount includes the construction of the building, purchase of furniture, educational materials, and the initial operational costs for the first year. The acreage for this home is already provided. While we have made significant progress in our fundraising efforts, we still need your support.

I have a deep personal connection to this mission and want to invite you to be a part of something very special. Any amount you can give will bring us closer to our goal and is deeply appreciated. We are committed to transparency and will provide regular updates on the progress of the project. Additionally, your contribution is tax-deductible, and we will provide you with the necessary documentation for your records.

To learn more about our organization or the boy's home project, please visit our website at boyshomeofmtpleasant.org

Thank you in advance for your consideration and generosity. Together, we can create a safe haven and a beacon of hope for these deserving boys.

Warmest regards,

Mr. Ernel Henry
Founding Board Member

How Can You Help?

**BOY'S HOME OF MT PLEASANT,
INC. JAMAICA**

3504 E Broad Street, Suite 120,
Box#405, Mansfield, Texas 76063

We need your prayer, and we need your financial support.

Here is an opportunity to partner with us and invest in something with eternal value.
